We need your help, please join us in helping others in our community!

Pantry N' More is a local feeding program within Northeast Edmonton that is currently working with local community organizations to provide a hot meal/food hamper as well as clothing to our vulnerable and less fortunate community members.

We are currently providing a hot meal to approximately 150-200 individuals weekly as well as providing many families with “food hampers” to assist them and their families throughout the week.

Would you be interested in sponsoring a “**Hot Meal Evening**” for \$500.00?
Would you be interested in sponsoring **Food Hampers** for \$100.00 a month?

All organizations partnering up with us with a donation/sponsorship will receive a tax-deductible receipt (at the end of the year), a Certificate of Recognition, as well as their organization’s name advertised as sponsorship for the evening!

(Charitable Number is available upon request)

Over the last several weeks, we have seen an increase of approximately 25-30% in the number of individuals seeking assistance from our program; this speaks widely to one of the growing needs of our community.

***Please partner alongside us as we
work together in impacting the lives of others!***
